Subject: need a price

From: Anselm Falk <anselm.falk@halden-procurement.example>

Hi team, this is Anselm Falk from Halden Steel Works. We need inspection for our NW-G50 air-cooled generator at Rauma Yard (generator). Borescope and wedge-tightness inspection of the stator without rotor removal. Operating hours at last outage: approx. 52,000 h. Call me on +49 30 5550 4770 if anything is unclear. Thanks, Anselm
